**Exhibition Guide and
Event Catalogue**

Exhibition Guide and Event Catalogue

Zone A: Fireplace Design & Bespoke Interiors

- **Mantel & Mason — Stand A01**

Crafting bespoke fireplace surrounds in marble, limestone, and oak, ideal for Georgian and Victorian restorations.

- **FireForm Studio — Stand A02**

Innovative design house specialising in frameless gas and built-in fire solutions.

- **Ash & Aura Interiors — Stand A03**

Natural materials and neutral palettes define this studio's warm, minimalist hearths-capes.

- **UrbanFlame Projects — Stand A04**

Loft-inspired fireplace concepts for city homes and modern apartments.

- **StoneHearth Atelier — Stand A05**

Masters in hand-carved mantels, using reclaimed heritage stone.

Zone B: Stove Manufacturers & Traditional Heating

- **BlazeCraft Industries — Stand B01**

The art of engineering—reliable stoves for rural, off-grid, and lodge-style living.

- **Glowmar Stoves — Stand B02**

Sleek, urban-friendly multi-fuel burners with DEFRA compliance.

- **Vulcan Emberworks — Stand B03**

Heavy-duty cast-iron stoves with striking industrial lines.

- **HearthNova — Stand B04**

Traditional aesthetics with smart airflow technology.

- **IronRoot Heating Co. — Stand B05**

Shropshire-based heritage brand bringing British craftsmanship to the fore.

- **NordFyre Systems — Stand B06**

Minimalist Scandinavian stoves for low-carbon heating.

Exhibition Guide and Event Catalogue

Zone C: EcoTech & Smart Heating

- **EcoKindle Living — Stand C01**

Carbon-neutral burners and Ecodesign-certified stoves for green homes.

- **BioBlaze Innovations — Stand C02**

Futuristic fireplaces running on clean-burning bioethanol.

- **Sustainaflame — Stand C03**

Next-gen pellet heating and compact biomass systems.

- **EnviroHearth Technologies — Stand C04**

Combining design with the lowest emissions on the market.

- **Thermiq by EmberConnect — Stand C05**

AI-integrated heating platforms with app-based control.

- **LuxaFire Systems — Stand C06**

Luxury electric fires with glass-front touch controls.

- **VoltHearth — Stand C07**

Dynamic LED-based electric fires with lifelike 3D flames.

Zone D: Outdoor Fire, Cooking & Accessories

- **WildHearth Outdoor — Stand D01**

Corten steel chimineas, rustic fire pits, and modular garden fireplaces.

- **ForgeFlame BBQs — Stand D02**

Alfresco wood-fired grills and dual-use cook stoves.

- **RuggedGlow Outdoor Living — Stand D03**

Weatherproof fire towers for patios and terraces.

- **ChimniTech Systems — Stand D04**

Flue liner systems, caps, and chimney sweep solutions.

- **Kindle & Co. — Stand D05**

Designer fire tools, log baskets, scented starters, and wax logs.

- **FireNest Safety — Stand D06**

Hearth safety gear, CO detectors, child-proof guards.
